

A Place for Children to Explore, Experience and Wonder

Earthquake Kit List

Please place the items listed below in a gallon plastic zip top bag, labeled with your child name.

- 3 granola or energy bars (nut free)
- 2 4 oz. pop top/pull back cans of fruit
- 2 4 oz. pop top/pull back cans of tuna (or other protein – no peanut butter) or cheese and crackers
- 1 Mylar blanket (available at sporting good stores or The Surplus Store at the corner of Venice and Motor)
- 1 pair of underwear
- Any non-refrigerated medications your child may need (ex. Asthma medicine, Epi-Pen)

Please try to stick closely to this list; the goal is to have similar bags. Also, please make sure that the food items do not expire before June 2018.

Mel-O-Dee will maintain enough water, in addition to emergency supplies, for a 3-day stay at the school in case of an emergency, such as an earthquake.

The teachers will be collecting the filled bags on the first day of school. Bags will be returned in advance of the next school year.

If you have any questions or concerns about the earthquake kits or our preparations, please let us know.
